and disadvantages

Our lives are a product of everything that we encounter. Some of those experiences are happy and some sad, but they all become pieces of the puzzle that we call life. This school year produced "PIECES OF OUR GENERAL YEAR" which are presented in the 1985-1986 Itella.

One of the first pieces to our puzzle happened a few days before the year was to begin. Our school was vandallized with spray paint. The vandals caused over \$2,500 worth of damage. The grafitti was all over campus. It was on the pond, the sidewalks and the walls of the Main office, West Hall, the Auditorium and Electives.

A bigger puzzlement to overcome was the new computer system that was installed throughout the district. As a result of this, arena scheduling was cancelled last spring. This new procedure caused much controversy as to whether it was better than arena scheduling or not. There seemed to be many more schedule changes which created chaos for students and teachers alike. By the end of the second week of school everyone seemed to be satisfied and settled with their new schedules.

The biggest puzzle of the year was the question of consolidation of the two township schools, There were many emotional and statistical views held on this all-important issue. On November 25,1985, the Board of Education voted to consolidate the whole district with the high school being here at Douglas MacArthur. The completion of the entire consolidation process will be in the fall of 1988.

5/Opening

The activities at Douglas MacArthur are a vital piece to the whole puzzle. This year was no different than any other year as there was a high participation not just in athletics, but all activities which helped to shape the whole puzzle scheme.

There are various activities one may participate in while at MacArthur. One of the very popular activities this year was a result of the involvement of the Foreign Language Clubs. The various clubs include: the French Club, the Spanish Club, the Latin Club, and the German Club. The 1985-86 calendar year included many exciting and varied activities. In the fall, the clubs had Halloween parties and Christmas parties, too. The winter brought ethnic dinners at Justine's and Casa del Ray. They also went shopping in Detroit. The spring always brings much excitement to the Foreign Language Department, and this year was no different. They had their annual international Dinner, and the softball game between the different clubs. In capping off the year, there was the National Foreign Language Week with the last day being International Food Day! One advisor stated the reason for participation being at an all-time high was "the students are interested in being involved with others taking Foreign Languages and to experience the language!"

Many activities were planned by Student Congress for the student body and they were well received. In the fall, they planned Homecoming and decided on the theme: "It Can Happen". A blood drive also took place in the fall, which included a competition between IKE and DM. The winter months brought "Winter Wonderland Week" with many exciting outdoor winter games. The spring proved once again to be fun-filled and exciting. Much of the hype centered around "Spring Fever Week" which included a luau-bonfire and the week ending with capping of the "General" and his staff, Realistically, Student Congress is a service organization. The non-elected members are chosen after applying through an application of questionnaires asking why he or she feels qualified to be a member. They are chosen on the basis of their leadership ability.

Pom-Pon may be considered by some as a sport, but it is also a club, as they raised all of their money on their own this year. The purpose of Pom-Pon is to promote excellence. They tried to build school spirit, though by definition their method is not like the cheerleaders. They tried to promote spirit by performing in a way that instills pride and earns respect. Pom-Pon's spirit was a missing link in some of the much needed spirit at athletic events this past year.

Debate and Forensics were taken away as classes at the end of the last school year. Through the hard work and determination of the many members, it is now considered a club. Both Debate and Forensics offer the opportunity to develop speaking skills and thought processes which have been proven assets here at DM. In spite of the image that Debate is hard work and Forensics is only for "talented" people, both were considered to be fun and enjoyable this year Students Against Drunk Drivers was in its second year as a club at MacArthur The purpose of S.A.D.D. at DM was to make students aware of the dangers of driving drunk or riding with an intoxicated driver behind the wheel S.A.D.D. again this year, continued to have a great impact on the students. In the fall, they brought in a speaker and they also had an alcohol awareness week.

All in all, participation in activities was at a high and was enjoyed by many. The activities at MacArthur once again were PIECES OF OUR GENERAL YEAR.

## Homecoming: IT CAN HAPPEN

The Douglas MacArthur 1985 Homecoming was a time that will be remembered by many. The homecoming court, which was chosen by the senior class, was definitely one we can be proud of. After hearing the speeches, the entire student body selected Lisa Lichon as our Queen, Shellie Knox as First Attendant, and Arry Lichon as Second Attendant.

The theme, "It Can Happen", was very appropriate, because in life at Douglas MacArthur it can, and sometimes does happen Both the speeches and the floats were based on the theme which is sung by the group "Yes."

Spirits were high when halftime began because MacArthur was ahead 8 to 0 Excitement continued as the floats were judged and the queen was crowned. The freshmen and sophomores tied for first place, the Students Against Drunk Driving (SADD) took second place, and the juniors took third place. The Seniors were again disqualified. After halftime, the Bridgeport Bearcats scored a touchdown, but they were too late. The Generals varsity football team went on to win 8-6.

Ending the night was the dance, it was, without a doubt, a success. I believe congratulations are in order for the homecoming court and queen, and all the people who made this night a success. It was surely a night that will be remembered by many.

### LADY KICKERS

The 1985-86 Porn Pon squads will never forget those fun and muddy times performing in the rain at soccer games, and a few football games

Besides those muddy times, the Varsity Pom Pon squad had a lot of other fun times to remember. The squad performed routines to songs like Take On Me, Talk To You Later, Bandstand Boogle, Lazer Love, Wanna Rock, and What I Like About You, at soccer football and basketball games. They even performed at a few pep assemblies. The Varsity squad also had the opportunity to go to Gladstone to perform a routine for the cheening crowds from DM. The Varsity squad was honored to have Pom Pon regionals here at DM and represented our school well with a second place Afterwards they went to state competition in Farmington Hills and placed fifth

The captain of the squad, which consisted of 16 people, was Cindy Harris and co-captain was Heather Schneider. The coach, for her third year, was Cathy Cawley

The JV Pom Pon squad also had a good year. Their squad included 24 people with Pam Barrera being captain and Chris Fall being co-captain. The JV squad performed some really excited routines at basketball, football, and soccer games. They placed second here at regionals and third in state competition in Farmington Hills

# Magic Power

The pieces fit together for these seniors and juniors who attended Promithis year it turned out to be one of the best yet. The juniors who had decorated did a marvelous job. The dance was held at Delta college. Music was provided by the band CEYX. The theme, which was "Magic Power" was expressed in teal, silver, and resberry pink colored decorations. May 9th (from 9-30-12-30) was this very special night.

### Hard Work, Dedication Vital To Plays

The plays this year were exceptionally good, especially with the enthusiasm and pep of Laura Winter. Laura was a very positive, energetic force in both plays. The fall play's cast consisted of Polly, Ordway, Jennifer Rousseau, Joel Johnson, Kerri Sujkowski, Laura Winter, Kim Eckhouse, Mike Hornsby, Brian Boyd, Matt Saunders, and Andy MacPhail. The only disappointing part of the fall play was the difficulty in capturing the mood because of the lighting in the auditorium, otherwise the cast performed well and had fun-

The Competition Plays were dominated by the seniors again Best Play was won by the senior class with "Sorry Wrong Number". Best Actor and Best Actress were Pat Schaefer and Pam Murphy both juniors. Best Supporting Actor and Actress were Ned Connolly and Cindy Snow both seniors. The Best Set was won by the sophomore class. Try again next year freshmen

The spring play's cast was a most dedicated and hard working group of people. Mr. Easterling and his crew were of major importance to the spring play because of the sets. Usually the script calls for a particular set and it's difficult to build what is needed This year Mr Laundra and Mr Easterling got together to build a spiral staircase vital to the set. When the cast was practicing for the play, Mr. Laundra's father became seriously ill, so Miss LaLonde and Mrs. Lewis helped with supervision during his absence The cast in this play consisted of Laura Lewis, Jason Lichon, Laura Winter, Tisha Cuomo, Jon Wood, Todd Szymanski, Gavin Lewis, Carsten Redlich, and Pam Walton. Chas, as the cast called Mr. Laundra, was very pleased with this year

### Congress Proves to be

Many pieces to the Student Congress puzzle at MacArthur were added and changed this year. One piece to the puzzle that was taken away at the end of the 84-85 school year was the change of advisors. Miss Howdyshell left us and Mrs. Zuziak and Ms Burnham became our new advisors. Another piece to the puzzle that changed was the enlargement of our group to 40 people

The officers for this year included Jennifer Zolinski, President; Andy Mehl, Vice-President; Amy Lichon, Secretary, and Wendy McConnell, Treasurer

Student Congress involvement proved to be a vital part to the whole puzzle scheme. A tradition that occurs each year is Homecoming. This year's group decided upon the theme of "IT CAN HAPPEN". A blood drive also took place this past fall, which included a competition between IKE and D.M. "WINTER February : brought WONDRELAND WEEK" and included a snow shoe race, obstacle course and of course the volleyball games! The month of May was a busy one for Student Congress. The spring brought Staff Appreciation Day and luncheon Our last big project was SPRING FEVER

WEEK which included a luad-bonfire (Above; Officers of the 1985-1986 Studen Congress were Wends McConnell Treasurer Jenos Zoleski President and the week ended with the capping kie cabreche standing in for the lever late. # HARDWORK EARNS NATIONAL RECOGNITION and AWARDS

Loud cheers, exciting jumps, breathtaking mounts, and excellent school spirit... The 1985-86 Cheerleading squads showed us the rewards of hard work

This hard work also paid off in honors and recognition for each team and individual squad members. August of 1985, at a National Summer Camp, the funior Varsity and Freshman squads were awarded first and second place ribbons. The Varsity Cheerleaders did even better, winning a spot in the select Grand National Championships held this year in Lansing, Michigan

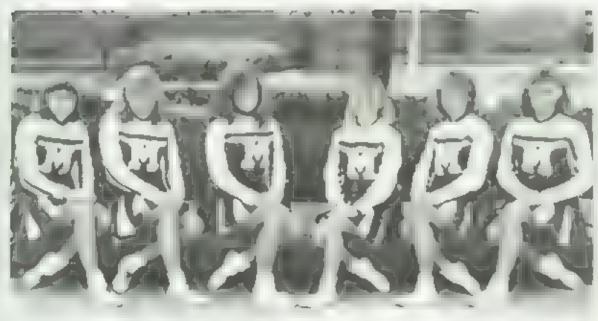

The coach this year was Susan Czymbor. "The girls did an excellent job keeping spirit high and representing their school." Susan stated, "Football Basketball, and this year soccer benefited from their enthusiasm."

# **Band-Always A Valuable Part**

The band had a very exciting year Besides playing at football games and pep ratiles, they also played at the Homecoming bonfire, and were at the basketball games to help support MacArthur's teams. It was especially nice to have the band at the football playoffs in Gladstone, Michigan. They also accompanied the choir at the Christmas concert which was a big success. At the Solo and Ensemble Festivals, the district first division winners were Julie Lasanen, Elizabeth Hales, and Jill Newsted. The state first division winners were Elizabeth Hales, and Jill Newsted

The Band practices hard for their performances

There were many members recognized at the annual Music Banquet. John Philip and Suzanne Nielsen received a nationally recognized award, the Sousa Award. The Senior Awards were given to Suzanne Nielsen and Jeff Stryzinski. The Most Outstanding band member of the year was Jill Newsted, and the Outstanding Service Award was given to Elizabeth Hales.

DM band members quietly go about their business with few people knowing what they do. They practice long and strenuous hours before, during, and after school like a swimmer. They must have good reasoning abiliiles and be able to read sheet music like a quarterback studying the plays and being able to complete them They must have the agility of a basketball player, the dextenty of a gymnist, and the stamma of most athletes. They even expenence competition like the others, and one of the most important is the competing for a position in Tri-M. (Modeern Music Masters), a music honor society. It requires passing a testing program and a performance. Besides all this, they are involved in many other extracurricular activities. Way to go!

"Practice makes perfect!"

## **Voices That Fit Together**

The Douglas MacArthur Choir which was directed by Mrs. Cisky, was very active this year. Not only were the students active in school activities but they also played an important role in the community in December they sang at the Children's Christmas party put on by the Optimist Club. During April the choir sang in the County Choir at the Ruban Daniels Center for the Performing Arts. In May they sang with Eisenhower at the Capitol. They saw the Bonwin Quintet a the Saginaw Community Concert. The students were able to see the Detroit Symphony perform at the Matrix Midland Also, they caroled in the Christmas House Waik

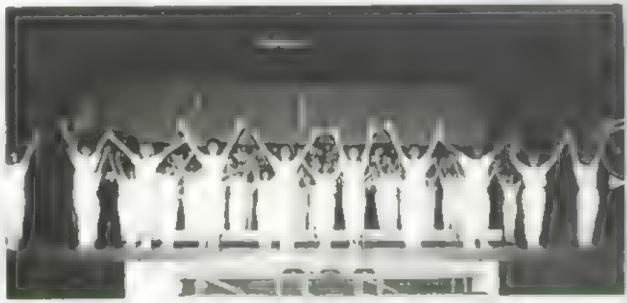

The two main highlights for the choir this year were the Christmas Musical and the Spring Musical, "Hurray for Hollywood". The musical was choreographed by Nelson Curtis in return for their participation in Toys For Tots which took place at the Saginaw Civic Center.

The choir ended their year singing at all the honor banquets and performing at Baccalaureate and Commencement

All the students involved in the choir worked hard. Tracy Rowe commented that people don't realize that it takes time to learn all of the songs and it really isn't a "blow off" class.

## Foreign Languages

This year the newly formed French and Spanish club was very successful The French and Spanish worked together to provide Tacos and Crepes on Foreign Language Day. The club also went to the Detroit Institute of Art for view of Diego Rivera paintings. The French club attended SVSC and CMU for competitions, placing high in all events. Spanish officers were President Cindy Schaeff, Vice President Bill Dickinson, Treasurer Corby Westwood, and Secretary Arlene Hugenio. French officers were: President Rani Ghose, Vice President Amy Lichon, Treasurer Kelly Hubinger, and Secretary Pam Murphy

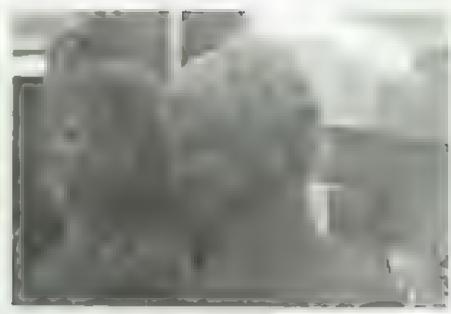

The Germans again made their famous and delicious Kuchle on Foreign Language Day. The German IV students went to CMU with the skit "The Newlywed Show" and placed second They also entertained us with "The Gong Show" given by the German III students. The club also went to Frankenmuth for entertainment and food German club officers were President Kenny Ewald, Vice President Kristi Kaufman, Treasurer Aaron Kabobel, Secretary Jenny Bolf

The Latin club was at its best on Foreign Language Day, providing pizza in an Italian Restaurant environment Activities this year included the annual slave auction, Rank raising, saturnalia, (Christmas), basketball, pizza party, and a field trip to Wayne State. The officers were President Sook Cho, Vice President Yundong Kim, Treasurer John Fitzpatrick, and Secretary Chris Shin

### **DM Debate Goes To State**

The Douglas MacArthur Varsity Debate Team had a successful season qualifying for the state finals. The Varsity consisted of Affirmative, Parn Murphy and Mike Rugani, Negative, Jason Lichon and Mike Molitor. They also piaced third in the central state league Mike Rugani received a First Team All-Conference Speaker Award, Jason Lichon received a Second Team All-Conference Speaker Award, and Pam-Murphy and Mike Molitor both received an Honorable Mention Speaker Award In the Thumb Bleague the team placed third over all, with Darrin Osborne receiving a Third Place Speaker Award, and Jason Lichon receiving a Fifth Place Speaker Award Their coaches this year were Pat LaLonde, and Dwight Ezop

# Team Unity Leads To Another Great Forensics Season

The performance of the Douglas MacArthur Forensics Team was unsurpassing. Members of the team who advanced to state competition were: Mike Rugarii, Mike Hawke, Jenny Walker, Dave Gardey, Pam Murphy and the multiple consisting of Laura Lewis, Missy Johnson, and Angie Fall Mike Hawke, Jenny Walker, and Dave Gardey all made it to the semi-finals while Mike Rugarii placed sixth in the state."

The team also had a great season bringing home a fourth place trophy from the Frankenmuth Invitational. This was the first team trophy in the history of DM. The officers were: President Pam Murphy, Vice President Mike Rugani, and Secretary Angela Fall. The team was especially grateful for the fine leadership provided by Pat Lalonde.

### Ventus And S.A.A.D.

Ted Barns was the advisor of Ventus this year and the staff was the entire creative writing class. This magazine is usually printed each year, but there have been some years that finances didn't permit this. It is nice to see it in print again. They campaigned for only 2 weeks and response was good. This annual includes anything from poetry short stones, to humorous essays. It was very difficult this year to select different pieces from DM students because there were so many entries Yungdong Kim helped with the cover and special lettering, while Carie Cuomo and Pam Cisky were the editors

This year 5 A.A.D. (Students Against Drunk Driving) was very involved in school activities. Many 5 A A D members attended a Project Outreach seminar held at the University of Michigan Flint. This program was to stop drinking and driving during the promand graduation season. The students of S.A.A.D. held a seminar for students of Douglas MacArthur. In this seminar students watched a tape of Robert Anastas, founder of SAAD., and a real live skit performed by Rani Ghose and Pam Murphy. The officers were President Linda Shin, Vice President Mike Koenig, and Secretary Janet Symons

Above, Mr. Barris, soith hour class was the Vertas Staff, with Cari Coomo, and Pam Cisky as editors. Yundong Kim volunteered her time.

Rani Ghose and Leslie Harvey helped organize the club, while many DM students helped paint signs and posters to raise the spirit at MacArthur Many teachers and staff members commented how well the Pep Club was doing

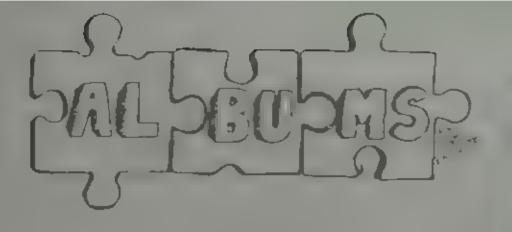

Drama Club provided many entertaining plays, including the class competition plays which were also successful. A fall and a spring play were performed and directed by Mr Charles Laundra

Spring Fever Week (May 5-9), was filled with lots of exciting events this year Monday was Hug Your Favorite People Day and Crazy Hat Day. There was also an aerobie contest on the football field 4th and 5th hours Tuesday was Hawalian Dress Up which was filled with many bright colors and designs. Wednesday was College Dress Up Day, Students wore their favorite college sweatshirts Thursday was the exciting capping assembly, with Mike Basil named General That night there was a bonfire on the practice field, where students had fun roasting marshmallows. The last day of Spring Fever Week was Dress Down Day and Locker Partner Appreciation Day. That night was the event everyone was waiting for, the Junior and Senior prom at Delta! The theme of the prom "Magic Power" and was a memorable night for all who attended

## Why Become Exchange Students?

I asked this question of myself and the others, and this is what we said Henriette Skoett-lensen (17) from Denmark wanted to know more about the U.S., having talked to former exchange students. "There's more to it", says Fernando Salom(17), from Palmira, Colombia. He was interested in the differences in culture and mentality of the people. Like Hennetta and Fernando, Christian Feike (17) and I, Carsten Redlich (18) both from Germany, wanted to improve our language and expersence another way of life. Some of these differences included our families, who were liked very much by us, and adapting to a different climate. "It was my first winter with snow!" One of Fernando's highlights was his ski trip to Colorado. Christain told me about the trips he made with his exchange program. I, myself, love to remember the Smokies, where I went with my family in the spring. Hennetta went to Washington D.C. with her exchange program. Unlike the others of us, she was able to choose her home state We think Saginaw is a nice city, although possibilities for young people are limited. MacArthur was a fine school to go to Students were friendly and helpful. Still, it hasn't always been easy to get into deeper contact with others I think some of us have mixed feelings about returning home, nevertheless we're looking forward to seeing family and friends again, our stay here helped us to learn more about ourselves. The contrast to our home countries made us more tolerant. It was a wonderful year here in Saginaw and we would all like to come back some day

(Above) Todd Szymanski and Manoj Patel enjoy themselves as they get refreshments at the reception for the Honor Alumnus Assembly

The pieces which help to shape National Honor Society's puzzle include outstanding scholarship, character, leadership, and most importantly service This year proved to be no different than the rest. Douglas MacArthur's chapter eligibility rules were changed this year. The Juniors and Seniors use to have to maintain a 3.2 cummulative grade point average and it has now been changed to a 3.35 cummulative grade point average. The Sophomore eligibility clause stili stands as they must rank in the top ten of their class. These nominees are considered for membership and then eventually voted on by the faculty. The informal induction of the new members took place during 1st hour as they were kidnapped from their classes. The formal induction took place at the second annual Honor Alumnus Assembly. The big service project was the annual Halloween Party in the fall for children in the area

Douglas MacArthur has a reputation for high academic standards and each year the school receives a great deal of support from many people (students parents, teachers, custodial workers, secretaines, cooks, administrators, board members, and guests) who strive to maintain this excellence Sometimes achieving these goals seems impossible when courses are drupped, teaching assignments are changed, and finances are tight, but the student body and staff gramble then get on with the job at hand

This year started with Mrs. Baranski teaching marketing and typing. Mrs. Slaggert teaching psychology and sociology, and Mr. Rush partitime MacArthur, partitime Chippewa. By the end of school, Mrs. Slaggert had transferred to Esenhower for a couseling position, Mrs. Baranski requested and got the psychoc, and Mr. Rush happily took the marketing and typing. Mrs. Baranski said that she was very pleased with this arrangement even though it meant an abrupt change at semester time and much homework for her. It became a challenge. Mr. Rush said that it was really great to be back at MacArthur and he enjoyed his seventh grade class. Even though he has a business background, this was the first time that he had taught marketing and it was a struggle when the material was so new. Semester saw Mrs. Hoostra moving to Italy and Ms. Durand joining the stati

Many teachers invited guest speakers into their classrooms. Usually the speakers were from the local area and many were parents. The purpose of a guest speaker was to supplement or enhance the teacher's discussion of the subject. DM students politely listened and appreciated the time and information given by the people

AP classes have been fluctuating over the years as to size and caliber of student and this year was no exception. Unfortunately students are hesitant to take these classes because of their grade point averages. No one denies that more work is expected, but the effort is worth it when in the last three years approximately 40 credits have been waved or granted by coileges.

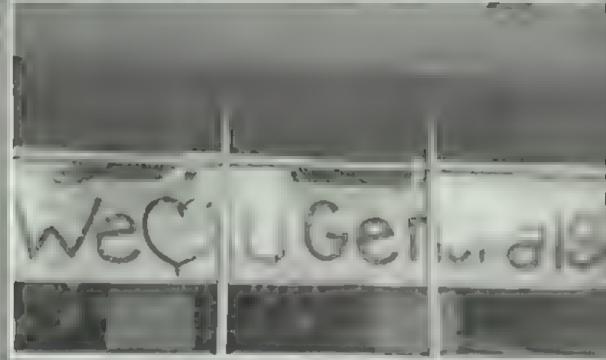

Environmental Science had an interesting problem this year when they built a shanty during their discussions of its recreational purposes and the fire martial said that it was a hazard. The shanty had to go

One of things that physic's students always look forward to is the spring kite flying. What is nice about this exercise is that it combines the principles of aerodynamics with fun. Everyone had to participate because it was part of his grade, but surprisingly some students have never flown a lote before. Most students used garbage bags and wooden dowels and chose plans from the books that Miss Burnham supplied. Research was required to build the highest flying, most beautiful most maneuverable, or farthest flying.

The intense look expresses the desire of MacArthur's students want to do well

Dr. DeGrow, Mrs. Connelly, Mrs. Minard, and Mr. Strautnieks certainly play an important coll in the curriculum.

Yearbook some how completed a year of financial difficulties and missed deadlines, but they came through in the end as a team and produced an amazing book of memories for the 1985-86 school year

Money problems seem to plague a yearbook staff and this was a major concern for the class. Mr. Strautnieks helped with the remainder of the bill for the '85 book. Then the members of the class joined the all school candy drive as a club in order to raise money for senior color photos, but not enough was made, so the senior class donaated \$300. Later in the year the administrators held a dance and donated the profits to yearbook. This was greatly appreciated because it allowed the photographers to buy enough film for a good variety and better quality of pictures. Ad sales were excellent this year, but unfortunately there are those individuals and businesses who take out ads and don't always pay their bills. The last problem was yearbook sales. For some reason students didn't want to purchase the yearbook until the last minute and then not as many were sold. The book is becoming more and more costly to produce, so these financial difficulties will probably continue

Yearbook would like to give special thanks to four people who helped with artwork and pictures. Brian Wolpert created the tool lines for the academic and album sections. Rob Kreager donated many candid shots, Jack Tanny from the Saginaw Township Times gave action sport pictures. Sam Knight designed all the caricatures and the cover this year. Thanks Again

They were headed by an excellent staff of Mimi Koenig as editor, Kelley Ureche as business manager, Julie Wreggelsworth and Collette Dubay working on the computer. Our photographers for this year were Ned Johnson, Jason Turner and Jason Eagle

Mimi and Tim relating during class. Kendra, Andrea, Jason, Shawn, and Pam wasting yearbook film. Anne Mane, M. Lisa, and Gina catching up on the weekend gossip. Sam Knights- the yearbook artist.

As Mr Strautnieks said in the May issue of the MacArthur Newsletter for parents by parents, "the school's slogan is: DMHS... MARK OF EXCELLENCE" There are many students who work hard to uphold this tradition and just a few are mentioned here Each year the Daughters of the American Revolution and the Civitan Club bestow an award on a boy or girl demonstrating leadership, dependability, service, and patriotism This year's recipients were Cindy Schaef and Jenny Zolinski respectively

National Merit Program finalists were Karen Clynes, Monique Ebell, David Gardey, and Suzanne Nielsen

Susan Ahn and Monique Ebell were top scorers in the Michigan Mathematics Prize Competition. A 40 question test is given for the elimination round and it is extremely hard it is not unusual to get only 8 correct. Susan and Monique participated in the final round of only 5 questions

An outstanding boy and girl is chosen from each class, except the senior class, for academic achievement and involvement in student leadership Randall Baker and Susan Ahn represented the freshmen; Michael Rugani, Annette Brasseur, and Ellen Crane represented the sophomores, Andrew Menl and Christina Groll represented the juniors

Miss Burnham was advisor for the Academic Olympics again this year. The team included Monique Ebell, David Gardey, Larry Nieman, Chris Barrera, Jim Meyer, Susie Nielsen, and Todd Humphrey. These people were chosen on the basis of recommendations, a question practice session, and quickness. They won all their matches against Nouvel, Eisenhower, and Valley Lutheran.

Susie, David, Earry, and Monique were also on the Social Science Olympics along with Jill Newsted, John Fitzpatrick, and Sook Cho. Their advisor was Mrs. Zuziak. They were chosen primarily on recommendations and competed against over 20 schools from a Tri County Area. They made it to the finals and won over all

It has to be said again. DMHS MARK OF EXCELLENCE

A familiar face on campus was Officer Sherman, School Liaison Officer. Bob Sherman trully enjoys being with students. He drove a school bus for Nouvel and also drove to extracurricular activities like when they went to Mackinaw Island. He has been chaperoning DM dances for some time now and last summer he began dances for all area teens. Officer Sherman feels that students need a place to go during school and summmer "They like music and dancing, so why not have dances." He said that being a guest speaker was very important because too many students get the wrong information from other students and this way they can ask him Unfortunately he rarely finds out if he has helped anyone, so his rewards come from chaperoning, being invited to graduation parties, and one time speaking at a commencement when the Bishop was there also

On one ocassion this year, Dr DeGrow spoke to Mrs. Hunter's college composition class about MEGATRENDS He enjoyed the one to one contact with the students which he rarely gets. The class was most attentive and found him a bright man They liked the way he related the con-cepts in the book to their lives and future. Cont

One of the most dramatic changes this year was the 22 credits graduation requirement. P.E. is now 1/2, science 2, math 2, English 4, social sciences 3, and practical/fine arts 2. For those children who don't have trouble with school, this hasn't made a difference and probably won't, but it does restrict their freedom of choice. There is concern for those children who have real difficulty with school. Many people are worned about the electives' programs. When couseling students, the couselor must always keep in mind which requirements apply.

Is leff eyeing lube or what??

Mrs. Fryer finds being Co-op Coordinator a very rewarding position Her biggest problem was getting weekly work reports from students. There are many facets to her job, but a couple are checking that teen labor laws are being followed and that people under 18 or who have not yet graduated get a work permit each time they change a job. The rewarding part comes when former students return for help in finding a career, scholarships are given from the place of employment, DM students maintain co-op status when they go to college, and when someone like Came Buse was certified as a restaurant manager right after she graduated

At MacArthur, a high premium was placed on academics, a PIECE OF OUR GENERAL YEAR

## PUZZLING TIME FOR OPPONENTS

'This year the varsity brought home the White Pine Championship, but expect the team to bring home even more next year!" commented Tim Harris and Mike Basil. Not only was winning the White Pine Championship part of the teams exciting year, but they also had the chance to travel to Escananba to play Gladstone in a playoff game. Only loosing to Gladstone by one point was heart breaking to the players, but most said that it was a great experience. This year the team had a winning record of eight wins and two loses it was the sixth time that the General team had gone to the playoffs

out of eleven years. This is the most for any team in the state

There were seven people picked for the All White Pine Conference team. Those chosen were Dan Fisk for offensive back and defensive line backer. Rodney Murphy for defensive back. Dave Gardy for offensive tackle; Bob. Groll for kicker; Chris Klein for offensive end, Mark VanBoxclaer for defensive back and Terry Carpenter for nose guard. The team awards went to Dan. Fisk for Most Valuable Player, Chris Klein for Best Offense; Rodney Murphy for Best Defense, and the Leadership Award went to Terry Carpen-

ter and Tom Hruby Dan Fisk was also named to the Ali State team and Chris Niein received Special Mention. The three captains this year were Tom Hruby, Bill Dickinson, and Dan Fisk

The football fand were very supportive this year. They would cheer in the pounng rain and remain faithful no matter what

The most obvious demonstration of this was when two pep buses filled with fans went seven hours up north to watch the Generals in Gladstone Thanks fans!!

## Getting a Piece of the Action

The JV's this year were a very good team. Their record was only 4-5 but they played every game like they were 9-0. The high point of the season was defeating Chesaning 22-13.

The offense picked up their playing capability half was through the season. It was generated by the strong running game of Matt Myers and Pete Hayes.

The defense played exceptionally well throughout the season its strength was on the defensive line, and occasionally in the secondary. The defensive MVP was Jason VanBoxclaer

## The Action of Champions

STATE OF THE STATE

The Freshmen football team had an outstanding season. Their record was 6-3. They won their first five games, and four of them were shutouts, including Eisenhower. Their toughest win was against Mt. Pleasant when MacArthur made a come back to defeat them in the second half.

The offense scored 230 points for the year. It was powered by a strong running game with the help of Bruce Labreche. The defense was the backbone of the team. They held their opponents to only 121 points for the year. Jim Fordney was the key to stopping their opponent's running game, while John Labreche helped stop their opponent's passing game with many key interceptions.

## Varsity Booters Kick it Together

The 1985 boys' varsity soccer team ended its season with a very fine 9-4-2 record. They were ranked as high as fourth in the state during the season. Two of the losses were to arch-rival brisenhower. The DM kicker did beat IKE, who were ranked second at the time, by blanking them 1-0 in a hard tought over time game in pouring rain. Andy Brown provided the winning goal with less than a minute remaining by scoring on a penalty kick, sending the loyal fans into a frenzy.

A strong defense which gave up only 1.7 goals a game led the varsity team this year. They were especially strong up the middle with Andy Brown playing an exhausting but excellent center half Robert Groll at center full-back managed to intimidate the opposition with his fearless defensive plays. Between the pipes was the reliable junior sensation, Andy Mehl, who came on strong towards the end of the season. Mehl recorded four shutouts and provided that extra boost of defensive power.

Receiving top honors for the varsity squad were Jon Wood (Most Improved Player), John MacPhail (Most Valuable Offensive Player) Rob Groll (Most Valuable Defensive Player), Jeff Snyder and Chris Nalazek (The Sportmanship Award), Andy Brown (Most Valuable Player and All State Honorable Mention Class 8-C), and Chris Maday (Most Yellow Cards During the Season)

The 1985 Varsity Team Bartles forever

This year's Junior Varsity had a respectable 5-5 record. Gregg Watt received the Player of the Year award. The Junior Varsity booters have a lot of young talent and should provide a supporting class for the varsity teams in the near future. Congratulations Junior Varsity on a very fine season.

## "No Guts . . . . . . No Glory"

The Varsi-

ty Girl's Soccer team started the year on a low note, while they searched for the right combination of attack. Once they found it, their season picked up and ended too soon. The girls will be losing only one senior, Jenny Zolinski, and they hope to start next season with the same spirit and energy they ended with this year.

Most Improved Offensive player was Johanna Roberson, while Ellen Crane was the Most Improved Detensive player. The Player's Award, picked by the team, went to Jenny Zolinski Jenny Zolinski also was the recipient of the Donna Eurich Memonal Award

The J.V Soccer team also had a fine season Jenny Grabski was the Most Improved Offensive player and Gretchen Humphrey was the Most Improved Defensive player. Offensive MVP was awarded to Michelle McCarthy and Defensive MVP went to Abby Tidoff

## Good Season-Injuries Hurt

This year's Boy's Varsity Basketball team brought their season to a close with a 7-14 record and 2-9 in the conference. The Generals entered the end of the season tournament having to play Eisenhower first. The team lost in a heartbreaker of a finish losing by only 4 points.

With Mike Donahue as their coach, the boys had what they thought was a good year despite their record and many injuries. To their disadvantage was the lack of senousness and height, but that was overcome by the fine playing of Joe Labreche, who was the team's best shooter. He received Honorable Mention in White Pine along with Chris Klein, Bob Groll and Dennis Schumacher. Chris Klein was voted Most Valuable Player, Bob Groll was voted Best Defensive Player, and Joe Labreche received Best Offensive Player.

Perhaps their most exciting game of the year was against Buena Vista who played exceptionally well and later went on to be State Champs. Also, the last Eisenhower game was very exciting in years to come the boys wish the future teams great records and many memories.

#### JV's Best Record Ever

The J.V. Basketball team finished its season out with MacArthur's best J.V record ever. The team was backed with strong coaching from Mr Schumacher who made the team work together

Playing B V. was the most memorable game to the team because they played great, only to lose by 2 points in the end

Receiving awards this year were, Dana Richards with Coaches Award and Andy Mehl with Most Improved Scoring the most points and being the backbone of the team was Drew Donnely John Labreche was also a big factor having the most free throws

## Girls Capture White Pine Conference

The Girl's Varsity Basketball team found the missing links in their team to capture a White Pine Conference Championship with a record of 9 wins and 1 loss. They finished their season with an overall record of 18-4, Senior Kelley Ureche stated that the team had a fun and successfull season The team worked hard and got along well. The team was led by senior standouts Cindy Schaeff and Kelley Ureche, Cindy Schaeff was a member of the All-Conference team. She was selected for the All-Area Dream Team (Saginaw News) and was named the 1st Team All-Area (Township Times). Teammate Kelley Ureche also gained All-conference status, as well as being named to the 1st Team All-Area and All-Area Dream Team Kristen Call received Honorable Mention All-Conference, Honorable Mention All-Area and 2nd Team All-Area Christina Groll also received Honorable Mention Alf-Area

Team awards were presented to Kelley Ureche, 4th Year Varsity, Cindy Schaett Most Valuabie Player 4th Year Varsity; Kristen Call, Coaches Award, Cristina Groll, Best Defense; and Jenny Boswell, Most Improved Player

Good block, Lizi

The Freshmen Girl's Basketball team did a great job this year coming together as a team. They had a slow start of 1-5 and then turned around winning 10 straight games to finish the season with an awesome 11-5 record. A Great Team Effort! They worked hard in practice as well as in the games. Their hard work paid off, in the end they came out as real winners. Mr. Donahuue, the freshman coach, said, "We started out slow; then came on like Gangbusters!"

Besides all the work, they had a lot of good timess. They'll never forget the trip on the way back from Mt Pleasant. A deer was killed before their eyes. Mr. Donahue commented, "Bambi bites the dust!"

The seasons awards went to Paula Roberts as Most Valuable Player, Kris Klonowski as Most Improved Player, and Kim Jauma as Best Defensive Player. The Coaches Award went to Marcia Krawczac.

#### **VICTORY**

The 1985 Girls Tennis Team had a unique feature that none of the other teams have had. There were no returning doubles players back from the 1984 team. For this reason I feel the accomplishments of this team are more impressive than teams in the past. We had to replace 7 of 10 players from the 1984 team. The players who took over put forth a trememdous effort to accomplish what they did. We won our fifth WPC Championship in a row, sixth Regional Champoionship in a row and finished third in the state for the second year in a row. We played 4 girls on the All-Conference team in Amy Lichon, Shireen Akhtar, Janet Symons, and Sook Cho. We had 2 girls make the All-State Team in Amy Lichon and Shireen Akhtar Shireen was State champion at 2 singles and Amy was runner-up at 1 singles.

Amy Lichon finished her high school career with an impressive 108 wins and only 2 losses in 4 years. She never lost a dual match (35-0) She was All-Conference and Alf-State for 4 years. She was State Champion at 2 singles her freshman year, 3 singles her junior year and runner-up at 1 singles her seriior year. Congratulations Amy on a fantastic 4 years.

I am very proud of the 1985 team for their dedication, determination, desire and pride

#### WE HAUL OUR'S AND KICK YOUR'S

The men's swim team did hauf their very successful season. Their only loss was to Midland Dow.

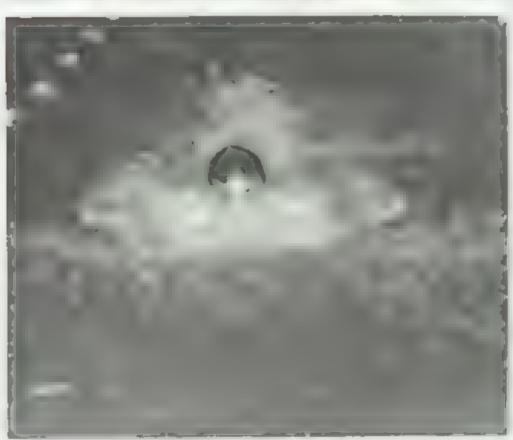

The swimmers placed first in the Midland Relays and first in the Arthur Hill Relays in the Tri Cities' Championship, they placed first

Six very talented swimmers qualified for the State Meet, Mat Curry, Luke Lagorin, John Cook, Dan Braun, Dan Kanitz, and Duke Dorward. Mat, who has the most state wins in the Tri-Cities, placed first in the 100 free, second in the 100 back, and third in the medley relay which also included Luke Lagorin, John Cook, and Dan Braun Luke also swam to a seventh in the 100 breast. The 400 free relay missed finals by a small margin. It consisted of Luke Lagorin, John Cook, Dan Kanitz and Duke Dorward

Several awards were given at the team's annual banquet. Mat Curry received the Walter E. Leesch and Most Points award. Coach's Award was given to Luke Lagorin and Most Improved was given to Dan Kanitz and Jeff Parker. The teams will be losing eight very talented seniors. BEST OF LUCK SEN-IORS.

### **Undefeated Lady Tankers**

Hard and long hours of practice paid off as the lady swimmers of DMHS stroked thier way to an undefeated season. They ended their dual meet competition with a 14-0 record

One of the major highlights of the season was the Tri-City Championships because the girls placed first

The puzzle pieces finally came together as five very talented swimmers made their way to the Class B State Meet held in Grand Rapids. In the finals, Justine Comtois placed 9th in 100 Backstroke and also hold the new team record. Amy Hess, Courtney Graft, Lisa Lichon and Justine Comtois placed 11th in the 400 Free Relay Kathy Majoros swam the 100 Breastroke and Medley Relay in the preliminaries

At the annual swirn banquet, special awards were presented. Most Outstanding- Justine Comtois, Most Improved- Laura VanSickle, Ellen Crane and receiving the Coaches Award was Lisa Lichon

John Muzlin, known as "Muzz", coached the team again for his 9th consecutive season

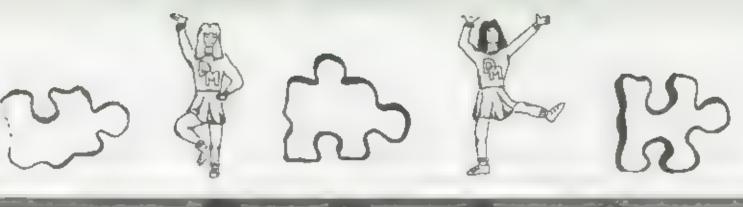

DM divers were small in numbers, but big in points. The two divers were Diane Dukarski and Dawn Hauffe. The team will be losing two very talented seniors and the team's captains, Usa Lichon and Julie Toft Best of luck Seniors!

#### DM HOCKEY:

A puzzling outcome can describe the Varsity Hockey team's 85-86 season. After making it to the state Regionals, the General team lost to Eisenhower by a mere two goals. This game ended the season with ten wins and thirteen losses Senior Rob Bordeaux was the top scorer all season with a finishing record of thirty two goals and zero in penality time. Also Rob was awarded Most Valuable Player and Offensive Excellence. Pat Curry was also awarded Offensive Excellence Best Defenseman went to Tom Jacoby, Best Offenseman went to Kurt Englund, Most Improved Defenseman went to Chris Bogard and Most Improved Forward went to Rob Landeryou. Coach's Awards went to kns Geissel and Brian Mortimore Team Captains this year were Pat Curry, Rob Bordeaux, Kurt Englund and Tom Jacoby

Our Varsity Golf Team started out the season not really knowing how good we would be "With a group of kids who loved golf and who would work hard to improve their own game. We could become a great team," said Varsity Coach Ron Stelter. Mr. Stelter also said, "It is important to play good teams and a good golf course to become better golfers," One thing that really help's make DM's Golf team stronger is the coach Mr. Stelter really knows what he is talking about. He also had a really great time working with the golf team this year.

Shawn Samuel led the Generals with an average of 82.2. The golf team also got some powerful support from two sophomores, Drew Donnelly with an average of 83.1 and Darnn Osborne with an average of 88.2. Vince Mosca had an average of 87.5 alone with Mike Nicholson who averaged an 88.4.

We all improved as the season progressed. Shawn Samuel and Drew Donnelly lead the team with an 81 and 83 to help us place third in regionals. After we placed third in regionals we had our sights set on State. Preparing for a week really pumped us up for the state meet. Once again Drew. Donnelly (76) and Shawn Samuel (78) led our team to place third in the state meet, while Mike Nicholson shot an 82, Vince Mosca an 85, and Darrin Osborne an 87. We ended the season with eleven wins and five losses.

The J.V. Golf team ended with a record of 7 wins, 1 loss and one tie. The low averages were Eric Frost (45.16), Dave Zwingman (46.0), Brett Bremer (46.5), and Brad Nicholson (47.5).

#### Varsity Baseball Strikes Gold

This year the Varsity team finished their season as runner ups in the districts and runner ups in the White Pine Conference

Their season record was 16 wins and 8 loses and in the White Pine Conference they had 8 wins and 2 loses. Pete Kaligian commented, "I have never laughed so much with one team before. This was the best time I ever had coaching I am really looking forward to coaching all the seniors next year."

Many players were recognized as some of the best in the White Pine Conference Arnulfo Perez was named to the first team all White Pine Conterence. Tom Podsiadlik, Dana Richards, Terry Carpenter, Dave Spence, and Dave Hayes were all named to the second team all White Pine Conference While Marc Maday was named White Pine Honorable Mention, Arnulfo Perez received the Most Valuable Player Award, the three year Varsity Award, and the Best Offensive Player Award The Best Defensive Player Award went to Dave Spence, while the Most Improved Award went to Dana Richards

This season captains were Joe LaBreche, Terry Carpenter, and Amulfo Perez. The players with the three top batting averages were Amulfo Perez with a .431, Dave Spence with a .391, and Tom Podsiadlik with a .314

### MISSING LINKS For J.V.,

The J.V. Baseball team had a little trouble putting it all together. Their record was 5-14 only because of the careless mistakes of the players. Coach Benzenberg said, "The team played outstanding games, but made too many errors." Of the fifteen players on the J.V team only four of them had high school baseball expenence. The team also lost three players to the Varsity The strength of the team was their infield. The hitting was led with power from Chris VanHorn and Matt Myers. The pitching was mostly done by Tom Grayhbill Captains of the team were John Galsterer and Matt Myers.

The Freshman Baseball team had a long, but fun season. There overall record was 8-9. Their coach always said that they didn't play fundamental baseball

The team's strengths were in the hitting and pitching. Their helding wasn't very good, and that's why they were always playing catch up basebale.

The captains of the team were Im Fordney and Joe Walker. Mike Eischer, Jim Fordney, Brian Hopkins, and Joe Walker moved up to the J.V. squad in the later part of the season

#### Bring It In

Coach Sue Skully took the '85-'86 Varsity Softball team to a 4 wins and 6 losses season. Kelly Zimmerman did an excellent job as pitcher, Sue Neilsen was White Pine Conference Second Team catcher and Most Valuable Player, Beth Piziks was White Pine Conference First Team in the outfield, and Martha Fisk received Most Improved Player. The team's strengths were in a good outfield and a good defense, but there was a definite weakness in their batting. There were many private jokes and funny situations shared by all the team members, such as when Beth Piziks wore her red cleats or when Kelly Zimmerman, Lisa Knapp and Amy Toft listened to their loud music on the bus, which Miss Skully hated. The team had a lot of fun this season even though they didn't win a lot. OK girls, bring it in

### WHEN THE GOING GETS TOUGH

Things did get tough for the 85-86 Varsity Volleyball team. They were plagued with injuries, starting with standout Cindy Schaeff Cindy tore the ligaments in her knee and was out for the entire season. They, also had three starters out with broken or sprained ankies. The girls are looking forward to another successful season next year, as they are only losing 2 seniors. Lisa Ureche and Kern Sujkowski took All-Conference Honors, while Chris Groll received Second Team status. Also, Ureche was named to the All-Region Team and Honorable Mention All Area. Kern Sujkowski and Chris Groll also were named Honorable Mention All Area.

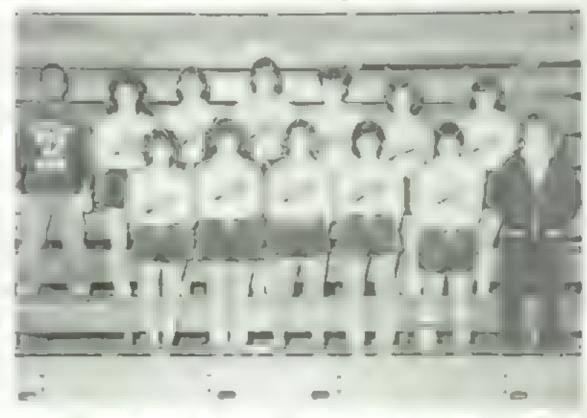

Taking home team awards were Cindy Schaeff 3 year varsity; Kerri Sujkowski, Coaches Award, Trisha Hegler, Sportsmanship Award, Rani Ghose, Most Improved Player, and sharing Most Valuable Player were Lisa Ureche and Chris Groll.

This year was the first year for a freshman team. Approximately 25 tried out, but coach Kelly Landeryou could only pick 12 girls to play. This year was viewed as a learning experience and the improvement by the girls could be seen.

The Junior Varsity had their share of problems. They didn't work as a team, but towards the end of the season the finally pulled together, the J.V. coaches, Elmer Shultz and Melanie Ristau, made the year fun, even though they pushed the girls and worked hard

Hey Sunshine look at ust

What?

Honest coach, we'll do better next time!

Hey Redi

The ski team started their practices late this year because "The Great Bintz Apple Mountain" had no snow. Our awesome coach, Mr Chris Agnew was still recovering from the year before!

The boys were very successful in their meets, especially Steve Dewald being the hot item on the team and Greg Hazen placing second. Ryan McCoy and Jeff Snyder were also very impressive this year

The girls of course, had a much better season than the boys. They won 5 out of 9 races this year, which made the girls exceedingly proud. Lisa Knapp continued to improve, which was demonstrated in the meets by several first place wins State is looking really good for next year Ellen Crane just joined the team as a sophomore, but because of her skillful abilities coach Agnew said that she will be a tremendous asset to the team. One of our most dedicated skiers who stuck with it all four years is Bev Day.

The future looks bright for the Douglas MacArthur Ski Team because our freshman did very well While they took doown scores, foreran, and gatekept these awesome freshmen are: Ellen Snyder, Beth Hazen, Dan Duran, lason Wright and Eddie koester

During the season we supported each other through all the coaches lokes, the exciting practices and the food fights on the bus. We'll always remember the SENIORS with good sportsmenship and nonstop performance

Coach Kendall finally has a team to work with. MacArthur's cross country team is finally starting to make a name for themselves. After many years of poor teams, MacArthur's cross country is becoming a power in the White Pine Conference. Leading this year's team from the start was freshman Casey McGovern and junior Judd Kalush, Although this years team was made up of three freshmen, three sophomores, one junior, and one senior, they won an impressive amount of meets. The most outstanding highlight of the year was winning the Saginaw Township Time's Invitational which was a total team effort. This year also saw Casey McGovern set a new freshmman 5k cross sountry record of 17 minutes and 52 seconds. Next years team will be better than ever and is looking forward to winning the first conference cross country title in Douglas MacArthur's history

The girl's team enjoyed the finest season ever at MacArthur. Team highlights include tying Hemlock for the Saginaw County Championship, winning the White Pine Conference and having the top five girls in a meet against the other Saginaw Township Schools, Individual accomplishments were just as great by all the girls and were concluded by Sharon Kinsler winning the State Cross-Country Championship and Karen Clynes placing 15th. Normally, losing two athletes of Sharon's and Karen's caliber to graduation would devistate a team, but there are three very fine freshmen athletes on the team coming back next year

The Boy's Track team had a great time this year Everyone improved a lot on their times. By the end of the year they came out winning their last meet against Bridgeport. Distance was the major strength of the team with the 2 mile relay team of Judd Kalush, Casey McGovern, Brian Knights and Craig Olivares breaking the school record Coach Kendall said that it was a good building year

The invitationals allowed for the many stars on the team to shine. At the Garber Relays the team scored 29 points, Saginaw Valley 7 points which was very good for this meet, and at the Conference meet 58 1/2 points were scored, many by 3 seniors who were injured. Another highlight was John Propp and John MacPhail qualifying for state

Awards were earned by John MacPhail (MVP), John Propp (Most Improved Player), Casey McGovern (Top Freshman), Craig Olivares (Top Sophomore), and Judd Kalush (Top Junior)

This year the Girl's Varsity Track team did exceptionally well with a record of 8 wins and I loss against their opposing teams. Buena Vista Eisenhower, Valley Lutheran, John Glenn, Bay City Handy, Arthur Hill, Mt Pleasant, Midland Dow, and Nouvel

The girls this year ran sprints, hurdles and relays. The field events were the long jump and high jump. The throwing events that they participated in were the discus and shot-put

Captain Jill Tietz said, "Our team stuck together as if we were a family" She added, "The team always was rowdy on the bus trips, but 'Biver made us sit down and act like ladies

The coach, Gladys Biver, said, "The team this year was more improved than any other year. We broke so many records I can't even name them I really got to know each and every one"

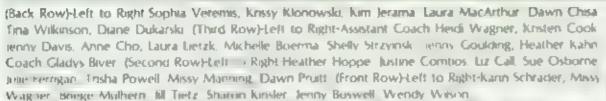

The most outstanding girls on the team were Sharon Kinsler and Briege Mulhern

#### **Equestrians Are Animal Lovers!**

The Douglas MacArthur's Equestrian team's long hours of work paid off tremendously in their 1985 show season. The major disappointment was losing to Sanford metidian in the final show by 15 points. Because of that show they missed going to the state championships in Lansing by one point! But everybody tried their hardest and came close to meeting their goal, going to state.

The 1985 team did improve from the 1984 team in 1984 they placed second in every show, mainly because of lack of people. This year they received two more participants for a total of seven horses and riders. Our team was quite small compared to most, but we did get the job done and quite well at that There were only three shows and DM placed first in two and second in the last show.

must have imagined this, or perhaps I saw it in a dream. Somewhere, out on a desert, within a cloud, or perhaps beneath it, a fierce battle raged. Sword clashed upon sword, and shield upon shield In the midst of battle, a prince's banner wavered. and then fell. On the edge of battle a craven crept, and he thought: "Had only I, that fine blue steel of the King's son." But he looked down at his rusty sword, and his battered shield, and his disintegrating leather, and in disgust, he threw down the shield, and thrust the sword into the sand. and slovenly crept away Came the King's son. weary, and sore of arm, and wounded, and without weapon, and he saw the sword buried in the sand. And moving forward, he grasped the sword by Its rusty hill, and wrenched it from its sandy sheath. And wining the blood from his weary eyes, he took up the battered shield. And with battle cry anew charged forward, and hew down the enemy, and saved the battle on that glorious day. -tdward 5ds

## Generals Fight Song

We will fight blue and white
We will win this game tonight
As our generals go marching along;
We will fight to the end
Our goals to defend
As our generals go marching along;
For it's 1... 2...3, on to victory,
Cheer for our team loyal and strong
So we will fight, fight, fight
For the blue and white
As our generals go marching along;
As our generals go marching along, Fight

#### Local and

The end of 1985 and the beginning of 1986 brought some excitement to us locally

Vice President Bush made his second appearance in our town on April 29th. He met with people from our community at a luncheon which was held at the Germania Club.

Also this past year, the Douglas Mac-Arthur Blue and White Club named another MacArthur Honor Alumnus, Robert Tiderington III. He may be remembered by many for making MacArthur's first touchdown, but this is the least of his accomplishments. He went on to study at Albion College and chose the legal profession. For the past twelve years he has been representing men and women who were caught up in our legal system. In his speech, he suggested to the students at MacArthur that they should always pick the choice in life they think is the best. He pointed out many famous people who had chosen the wrong way to go. Talking about drugs, he warned that many people's lives are destroyed by them. Robert Tiderington was the second man to receive the MacArthur Honor Alumnus Award

Another story of interest is that of Florence P. Connolly who is the second woman to run for the 100th Distinct State Representative position. Mrs Connolly, who is currently Vice President of the Township School Board, is running against four other people. She is a republican and feels that she is able to follow in the footsteps of J. Michael Busch who is not running for another term Mrs Connolly has been active in politics ever since she worked on the floor at the National Convention that nominated Dwight D. Eisenhower for Presidential candidate

One event that "hit home" for many students was the candidacy for School Board member by Larry Neiman. Larry is a senior here at MacArthur and feels he has a very good chance. He has much support behind him from the students and teachers at MacArthur

#### International Events

The 1985-86 school year included many events, good and bad, in the United States and other countries

One of these temble events included the space shuttle accident. This took the lives of 7 brave astronauts on their way to learn about space. Terrorism was also a big problem this year which lead the U.S. to bomb Libeya And the terrible nuclear accident in Russia took many lives, and polluted the land on which they live as well as the air.

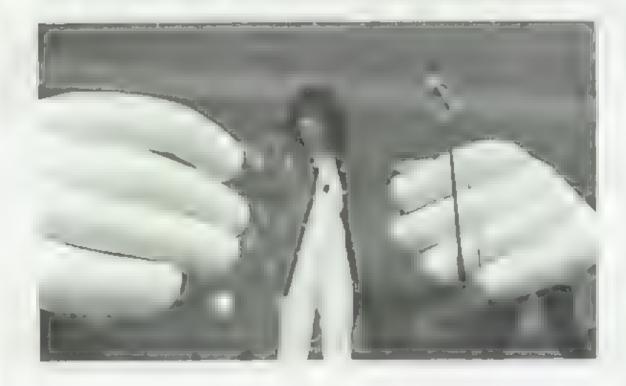

This year there were also some great events. Hands Across America was a big event where thousands of Americans held hands to raise money for the starving people in the United States Farm Aid and Live Aid, and the song. THAT'S WHAT FRIENDS ARE FOR raised millions of dollars for the starving people in other parts of the world. One other good thing that happened was that the old Coke came back and became Classic Coke which made many Americans happy again.
